

We extend our gratitude to each and every one of you for taking the time to complete the testimonial outlines and supporting our cause. Your contributions have been invaluable in helping us spread awareness about our mission and the positive impact we are making in the cxmmunity!

Your testimonials serve as a testament to the hard work and dedication of our team, and the meaningful difference we are making in the lives of those we serve. Your kind words and thoughtful feedback will go a long way in inspiring others to join us in our efforts to create a more just and equitable society for all.

Once again, thank you for your unwavering support and for being an integral part of our community. Together, we can continue to make a positive difference in the world.

Sincerely,

our Cxmmunity team!

Below you can find Instructions to record and upload your “Testimonial” Video

There are a few requirements you should keep in mind to ensure the best quality version of your uploaded testimonial video:

- Use a tripod or stabilizer to keep your phone steady and avoid shaky footage.
- Record in a well-lit area to ensure clear and bright footage.
- Avoid backlighting or harsh shadows.
- Utilize a background that is clean and isn't distracting to our viewers (plain white background, or a background showcasing your organization, is the preference)
- Adjust the focus and exposure settings manually to get the best results in different lighting situations
- Use your rear camera, a webcam, or a high-quality camera to capture footage

What do I wear??

We want you to feel and look your best!

Dress to impress in your Cxmmunity builder gear or, if you haven't got it yet, any tee that reps your group or a classic black top will do the trick!*

*Did you know we have a Cxmmunity merch store where you can further support our mission? [Click here](#) for our full merch line up!

Questions to consider:

We know it can be hard to talk on camera! But you got this. We've built some questions that can help you express how Cxmmunity has impacted you and your organization.

- Tell us about yourself.
- How did you hear/get involved with Cxmmunity?
- With so many great organizations to support, why should others choose to support Cxmmunity?
- How has Cxmmunity impacted your institution?
- With so many great organizations to support, why should others choose to support Cxmmunity?
- Is there anything else you would like to share about your experience with Cxmmunity?

How do I upload my video?

Here's a step-by-step guide on how to upload finished videos to Google Drive:

1. Sign in to your Google Drive account: Go to drive.google.com and sign in with your Google account.
2. [Use this link](#) to be directed to our testimonial video folder.
3. Upload your video: Click the "New" button and select "File upload". Choose the video file you want to upload and click "Open". Your video will begin uploading to Google Drive.
4. Wait for the upload to complete: The time it takes to upload your video will depend on the size and speed of your internet connection. You can see the progress of the upload in the bottom right corner of the screen.
5. Share your video (optional): Once your video is uploaded, you can share it with others by right-clicking on the video file and selecting "Share". You can choose to share with specific people or make the video available to anyone with the link.

That's it!

Your video is now uploaded to Google Drive and accessible from anywhere with an internet connection.
